## Contractor & Permanent Referral Scheme

---

At Iridium, we're proud of our strong network of trusted associates that enable us to deliver our promise of high-calibre, specialist support to our clients.

As our reputation grows, so does our need to build our network of the best quality IT consultants in the country, covering transformation, security, technical delivery and cards / credit cards\*.

### A reward for you

As a member of our trusted network, we know that you understand Iridium's commitment to providing industry-leading services and support to our clients, so we would appreciate your input in helping us to further build our teams' with best-in-class consultants.

To show our appreciation, we will pay a generous fee for each permanent / contracted IT specialist that you introduce to us, who are then successfully placed into an engagement with one of our clients - with further bonuses paid for additional introductions / placements through you.

### Our contractor / permanent role referral fee structure:

---

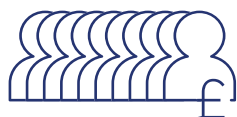

1 contractor placed

= £500

5 contractors placed

= £3k

10 contractors placed

= £7k

## We are keen to meet specialists in the following areas:
